PROJECTS

KHF Art Collective — *Business/Art Collectve*

Founded and run an art collective based out of Boston Ma. We have thrown 3 very successful art shows with attendance between 50-100 people, doubling our art sales each event.

Role: *Founder/ Lead Organizer*

Black Space Boston — *MIT Hackathon Project*

An app that provides POC within Boston a safe and educated way of navigating the city of Boston by allowing them to see, join and post about events, services and activities happening within the city.

Achievement: *Generated and designed proof of concept*

Technology Stack- *(HTML5, CSS3, JavaScript, MongoDB, Node.js, Passport.js, Express)*

liabilityroadmap.com — *Client*

Built a website with a global presence for a nonprofit organization to help give a blueprint on how to hold big corporations responsible for polluting.

Role *Sole/Lead Developer*

Technology Stack- *(HTML5, CSS3, JavaScript, SVG)*
